Company Stage	
Our programme provides 2 tracks for companies with innovative technologies: Startups and Scale-ups.	
You qualify as a scale-up if you meet all 4 of the following criteria:	
Headcount (Full Time): >20	

- Revenue (As of 2024): >USD 500K
- Years in operations: >5 years
- Stage: Series A and Beyond

If 0 out of 4 criteria is met, you qualify as a startup.

If you meet between 1-3 of the 4 criteria, you will be eligible for either tracks.

Note: The final programme track assigned will be determined by the evaluation committee based on a holistic review of each application.

What is your estimated annual revenue in 2024 (in USD)?
